Career Development:

Teva Pharmaceuticals (July 2009 to Present)

Junior Graphic Designer

Originally contracted through the BOSS Group in July 09', was then upgraded to full employment status in December 09'. Responsibilities included lighting, photographing, and editing Teva products (vials, bottles, tablets, capsules, etc.) for PR pieces and the web. Illustrations and Logos. Designed and developed product and marketing websites. Created animated Flash banner ads. Modeled and rendered products in 3d for trade shows and print advertisements.

Princeton Partners Ad Agency (Early 2009)

Freelance Graphic Designer

Worked on a project-to-project basis. Flowed in copy, edited an illustration, and helped with the composition of an image for an ad. On one occasion was brought in to redesign their outdated corporate slide deck.

FreedomPay Inc. (August 2008 to Present)

Contracted Graphic / Web Designer

Contracted to design identity solutions for the company's new products: "Free toGO" - "Free toGO Express" - "Way toGO." Worked with marketing to create custom RFID card designs for clients. Rendered 3D mock-ups for event planning and product marketing. Worked to create and maintain freedompay.com and myfreedompay.com. Designed, reworked, and oversaw production of various print and display items. Revamped existing company documents. I now freelance off site for them on an on going basis.

Cagiva USA / Fast by Ferracci (November 2006 to June 2008)

Graphic Artist

Created materials for two distinctive motorcycle brands, MV Agusta and Husqvarna. Designed national ads for multiple monthly publications. Designed promotional, apparel, point of purchase, banner ads, and trade show display materials. Worked with the Fast by Ferracci / MV Agusta race team to design their racing logo, pit crew shirts, truck wraps, and other promotional items.

TCR Products (2005)

Graphic Artist / Multimedia Designer

Worked with owner to establish a new brand identity. Illustrated and designed ads for monthly publications. Designed, constructed, and maintained new company website. Created animated web tutorials using.

Education:

Hussian School of Art, Philadelphia, PA (2003-2004)
